CRC is a non-profit organization that brings together corporations and global relocation service providers in Chicago for the primary purpose of providing educational information and current industry updates to its members. School can be a very important part of the relocation process for children moving into the Chicagoland area. As part of our commitment to Global Relocation, CRC is sponsoring a scholarship program for current high school seniors who relocated into the Chicagoland area at some point between grades 9 and 12 due to a parent's job relocation. CRC would like to encourage your students to apply for this scholarship on-line. **Two awards of \$1,000 will be presented to a Chicago-area high school senior for 2020. The award will be sent to the college the student has chosen to attend, to assist with tuition, etc.**

CRC will select a scholarship winners based on the strength of their total application package. The student will be evaluated on academic performance, extra-curricular activities, and on their response to an essay addressing the way they handled the challenges associated with relocating to the Chicagoland area and a new high school.

Applicants must meet all of these requirements:

- Currently a senior in good standing in a Chicago area [Cook, DuPage, Kane, Lake (IL), McHenry, Will counties, and city of Chicago] high school; and
- Relocated between grades 9 and 12; and
- Relocated more than 50 miles and changed school's due to their parent's job relocation to the Chicagoland area; and
- Currently have a cumulative grade point average of 3.0 on a scale of 4.0 (or equivalent achievement on a different scale)

We must receive all applications, essays, and transcripts by January 1, 2020 to have time to evaluate them and make a selection. The scholarship will be awarded during an upcoming 2020 CRC Meeting – exact date to be announced.

Please submit the following information along with your completed application to your Guidance Department:

- 1) Please list (on a separate sheet) all your extra-curricular activities and work experience during high school (after 8th grade).
- 2) Please write an essay that addresses your experiences associated with your relocation into the Chicago area. Please feel free to discuss your family background, challenges encountered with the relocation, and successes achieved. We would also appreciate any advice you would give to another teenager preparing to relocate (as you did)!

The essay should be between 1,000 to 1,500 words and must be **emailed in a Word document format**. The winners will be asked to present their essays at CRC's spring meeting.

Thank you for your interest and for participating in this program, and good luck!
